

# COMMITMENT FORM

I plan on attending the Heritage Music Festival on April 26,27,28 and 29 with the Falmouth High School Choir in New York City. I understand that if I decide not to go after paying the down payment, I may not receive a full refund. I understand that I need to make every effort to attend all extra rehearsals, participate in all fundraising events, be in good standing in class and in all of my classes in school, and take on the responsibility of making up the work that I miss in advance.
